## **Disclaimer**

Vedic Astrology attempts to read possible tendencies and patterns of people and situations mapped to this spiritual science cognized by the Seers. In my readings with you, I, in humility, will also attempt to convey patterns you may experience by reading the patterns this great science offers via your chart. These are my opinions as I interpret the symbols and qualities of the planets to you. They are not infallible truths, and you are advised not to take it as such.

## **Terms and Conditions - [For Readings with Rita Balian, Inner Sight Vedic Astrology](#)**

To understand your chart and work with you, our first reading will be a full natal chart reading. Analysis of your natal chart provides the foundation for future readings with me like Muhūrta, Astrocartography, Vāstu consultations, etc.

Readings will be given using one of many communication options. For example, via telephone, zoom, skype, etc. I ask that you honor this tradition and science by coming prepared with your questions (*you can email them ahead of time*), sober, and in reverence for yourself, choosing a location for your Reading conducive to receiving the wisdom of the tradition, and not multitasking during the Reading.
